House of Commons,  
Ottawa. 1 November 1987

Dear <1,2> <1,4>,

This tiny plea in your busy day is made, mindful of the Tiny Perfect Minister Responsible for Disabled Persons, The Hon David Crombie, who himself has tried to help us.

Please implore the Minister of Health and Welfare to end bigotry in HWC and dishonesty in his own office, which continue to cause severe damages to the environmentally sensitive.

Thanks,

Chris Brown
